We received our SOC 2 Type II Attestation

"Earning this SOC 2 Type II attestation really shows **how seriously everyone here takes security** . . . it's part of how we build, ship, and support everything we do."

– Alex Summer, QuicksortRx Senior Software Engineer

Product Update

New Data Integrations

We launched EDI streams for three new data sources this quarter and plan to expand in Q3. Let your CS rep know if you want to discuss any new connections on your next call.
